Refer & Earn Proposal

Refer and Earn

Today social networking has caught on like wildfire and has multiple uses even for business purposes. So, if you are a recruiter or a member of Facebook or a professional body on other social networks, our Refer and Earn program will appeal to you.

If you have a good database, or a good network you can share details of any job opening or job opportunity that you know of and direct peers or family members seeking employment to our site and we will be happy to assist them. If your reference gets the job then it is rewarding experience for you as you have been of help to someone in need. The fact that you earn good money in the bargain is an added bonus.

Here is how it works You can register with us as a R&E Associate. As soon as the registration is complete, you would be given your unique reference code and would get permissions to view the current assignments of The Redwood Horizon on hand through our tracker. You could also get clarifications and details from our in-house recruiters for referring better candidates.

You could then mail us good candidates from your database or from among your peers or acquaintances to us and we will help them get their dream jobs. Moreover you earn a commission or a reward for every candidate who gets a job through your reference. This reward is clearly marked on the tracker and is credited to your account immediately.

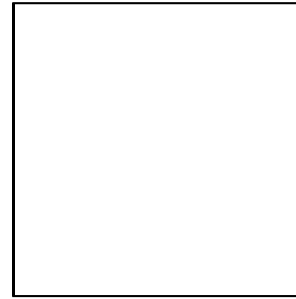

Register today to the Refer and Earn Program and earn goodwill and some monetary rewards as well.

The registration process is simple. Kindly fill in the Application Form below and send it to us.

So register today or for more details write to us at jobs@redwoodhorizon.com or call on: 020-66011120
